6 Charges on your card account

6.1 Credit fees and charges

- a. We will charge your card account with the fees and charges shown in the Letter of Offer. Once charged to your card account, they are payable and form part of the amount owing on your card account and, from the time they are charged to your card account, will attract interest at the annual percentage rate applicable to purchases.
- b. We may vary these fees and charges and may also introduce new fees and charges. We will notify you of this in accordance with Condition 11. Please contact us if you would like details of our current fees and charges.

6.2 Interest charges

We will charge interest on your account as follows:

- a. interest will be calculated daily and charged to your account once a month on the statement date;
- b. interest charges are calculated from the date that any amount is charged to your card account until the amount is paid in full (subject to any interest free period that may apply);
- c. interest on any amount is calculated by applying the applicable daily percentage rate to that amount (the applicable annual percentage rate divided by 365);
- d. however we will not charge interest on any purchases debited to your card account if:
 - you pay in full the closing balance of the statement on which the purchase is shown by the due date shown on that statement; and
 - you have also paid in full the closing balance shown on the preceding statement by the due date shown on that statement.

- e. We may vary the annual percentage rate and we will notify you of this in accordance with Condition 11. Please contact us if you would like details of our current interest rate.
- f. The Letter of Offer may specify that different annual percentage rates apply to cash advances, balance transfers and purchases. Special promotional or introductory rates may also apply for a certain set period.
- g. We do not pay interest on credit balances.
- h. If an interest-free period applies to any purchase or account balance (or applies to a part of a balance) for a period of time, we will not retrospectively charge you interest for that period because you didn't pay off that purchase or balance (or part of that balance) by the due date. This does not prevent us from charging interest on any unpaid balance following the payment due date or at the end of an interest-free period.

6.3 Government charges

We will charge your account with any government charges relating to the use of your card or to transactions associated with your card account. Once charged to your card account, they are payable and form part of the amount owing on your card account. Government charges attract interest at the annual percentage rate applicable to purchases from the time they are charged to your card account.

7 Statements

7.1 How we let you know what you owe

- a. We will send you a statement once every month for your card account.
- b. However, we need not send you a statement if:
 - no amounts have been charged or credited to your card account during the statement period and the amount owing

is less than \$10; or

- we wrote off your debt during the statement period and no further amounts have been charged or credited to the card account during the statement period; or
- you have been in default under your credit card contract over three statement periods, including the last statement period, and we have exercised our right not to provide further credit to you. However, if you are in default we will give you a statement of account or an alternative (for example, a transaction history) if you ask for it.

7.2 If you think there is a mistake

- a. By signing a transaction voucher or authorising a transaction in some other manner, you are confirming that the amount authorised in that transaction is the correct price of the goods or services purchased or the cash advance received.
- b. The monthly statement will list all amounts charged or credited to your card account during the statement period. You should check each statement carefully on receiving it and inform us immediately of any errors or unauthorised transactions.

8 Repayments

8.1 The minimum amount you need to pay

- a. Your statement will show the minimum repayment that you must make, together with the due date by which you must make the payment.
- b. If there is an amount owing on your card account the minimum repayment is:
 - the closing monthly balance of your credit card account if it is less than \$10; or
 - 3% of the closing monthly balance of your card account at each statement

- date, or \$10 (whichever is the greater).
- c. In addition, you will need to immediately pay us:
 - any unpaid minimum repayments from previous statements; plus
 - any amount that exceeds your credit limit.
 - d. You may pay more than the required payment at any time.
 - e. An additional cardholder may also make payments on the credit card account (but they do not have to).

8.2 How and where you can make payments

- a. You can make payments to your card account by:
 - using our direct debit facility;
 - transferring funds from another ME account through our internet banking service;
 - making a payment from an account you have with another financial institution using BPAY (where available);
 - paying by cash or cheque at any Bank@Post agency banking outlet; or
 - mailing a cheque to:
ME Card Services

Melbourne VIC 3001
 - Payments must be received and credited to your card account by the due date, so if you are mailing your payment you should allow at least three working days for your payment to reach us.
- b. Payments will not be treated as made until we receive and credit them to your card account.
- c. Once a cash payment is credited to your card account, it will immediately be treated as available credit on your card account. Other payments, such as cheques, will not become available funds until they have cleared, and this may take up to three days

after we have received and processed your payment. This is to ensure that the payment is not dishonoured. If a payment is dishonoured we will advise you of this, and make any necessary adjustments to your card account.

- d. All payments must be made in Australian dollars.

8.3 How we apply your payments

- a. Any payments you make will be applied in the following way:
 - first to the closing balance of your most recent statement, starting with the amounts attracting the highest interest rate as at the date we apply the payment, and then proceeding to the amount that attracts the next highest interest rate, and so on, until the closing balance is paid in full; and
 - then any amount of the payment remaining is applied to other amounts you owe in any order we choose.
- b. If the same annual percentage rate applies to any amounts included in the closing balance of your most recent statement, we can apply a payment to those amounts in any order we choose.

8.4 Overpayments

You must not overpay your card account by more than \$50,000. Any overpayments on your card account in excess of \$50,000 will be refunded to you. We may do this by:

- a. electronic funds transfer to your nominated account;
- b. sending a bank cheque to your last known address; or
- c. any other manner agreed by us.

9 Default

- a. If you do not comply with any conditions relating to your credit card contract, or if we have reasonable grounds to believe we

were induced by fraud by you to enter into the credit card contract, then you will be in default of your credit card contract. We may then require you to pay the outstanding balance of your card account immediately.

- b. We will give you 30 days notice of default, unless:
 - we have reasonable grounds to believe that we were induced by fraud by you to enter into the credit contract; or
 - we have made reasonable attempts to locate you without success; or
 - a court authorises us to dispense with notice.
- c. If you are in default under your credit card contract and we have given you notice of this default (where applicable):
 - i. then you must:
 - immediately return your card and any additional cards to us;
 - immediately pay any enforcement expenses that have reasonably been incurred by us; and
 - ii. we may cancel your card account without further notice.

- c. You will not be liable for any unauthorised transactions made after we receive notice from you.

- b. Changes to the method of calculation or application of interest charges
- We may change the manner in which interest is calculated or applied (including a change in, or the abolition of, any interest free period), or the frequency with which interest is charged to the card account.

If we give you a certificate which states the amount owing on your card account, or any other matter related to your card account, that certificate will be sufficient evidence of the amount or the matter unless you prove it to be incorrect.

15.3 Change of details

You must inform us as soon as possible if there is a change to your details (including your name, residential or postal address and any electronic address you have provided to us). If you change your address and you do not tell us, we can still give you notice by writing to your previous address.

15.4 Waiver

If we fail to exercise, or delay in exercising, any of our rights under your credit card contract that failure or delay does not constitute a waiver of our rights.

15.5 Assignment

- a. You may not assign your rights or responsibilities under this credit card contract to another person.
- b. We may assign this credit card contract or dispose of any right or all of our rights under it at any time and in any way. We need not tell you if we do this.

15.6 Account combination

- a. We may combine the balances of two or more of your accounts held with us, even if those accounts are not both credit card accounts.
- b. For example if one of your accounts is overdrawn or over the credit limit, we can use funds to your credit in another account to repay that overdrawn/over limit amount.

- c. However, if you have an account that relates to any amount you owe us under a loan that is regulated by the National Credit Code, we may not combine that account with another account:
- while we are actively considering your financial situation under either paragraph 167 of the Banking Code of Practice or under the hardship provisions of the credit legislation; or
 - while you are complying with an arrangement you have made with us after we have considered your financial situation; or
 - if doing so breaches the Code of Operation: Recovery of Debts from Department of Human Services Income Support Payments or Department of Veterans' Affairs Payments
- d. We do not have to give you notice in advance that we are doing this, but we will inform you promptly if we combine any of your accounts.

15.7 Additional Requirements

If we believe it is necessary to enable us to comply with any law, regulatory requirement or internal compliance program that we are legally required to have:

- you must provide us with any information or assistance we request;

Information statement.

Things you should know about your proposed credit contract.

This statement tells you about some of the rights and obligations of yourself and your credit provider. It does not state the terms and conditions of your contract.

If you have any concerns about your contract, contact the credit provider and, if you still have concerns, the AFCA scheme, or get legal advice.

The contract.

1. How can I get details of my proposed credit contract?

Your credit provider must give you a precontractual statement containing certain information about your contract. The precontractual statement, and this document, must be given to you before —

- your contract is entered into; or
- you make an offer to enter into the contract; whichever happens first.

2. How can I get a copy of the final contract?

If the contract document is to be signed by you and returned to your credit provider, you must be given a copy to keep. Also, the credit provider must give you a copy of the final contract within 14 days after it is made. This rule does not, however, apply if the credit provider has previously given you a copy of the contract document to keep.

If you want another copy of your contract, write to your credit provider and ask for one. Your credit provider may charge you a fee. Your credit provider has to give you a copy —

- within 14 days of your written request if the original contract came into existence 1 year or less before your request; or

- otherwise within 30 days of your written request.

3. Can I terminate the contract?

Yes. You can terminate the contract by writing to the credit provider so long as —

- you have not obtained any credit under the contract; or
- a card or other means of obtaining credit given to you by your credit provider has not been used to acquire goods or services for which credit is to be provided under the contract.

However, you will still have to pay any fees or charges incurred before you terminated the contract.

4. Can I pay my credit contract out early?

Yes. Pay your credit provider the amount required to pay out your credit contract on the day you wish to end your contract.

5. How can I find out the pay out figure?

You can write to your credit provider at any time and ask for a statement of the pay out figure as at any date you specify. You can also ask for details of how the amount is made up.

Your credit provider must give you the statement within 7 days after you give your request to the credit provider. You may be charged a fee for the statement.

6. Will I pay less interest if I pay out my contract early?

Yes. The interest you can be charged depends on the actual time money is owing. However, you may have to pay an early termination charge (if your contract permits your credit provider to charge one) and other fees.

7. Can my contract be changed by my credit provider?

Yes, but only if your contract says so.

8. Will I be told in advance if my credit provider is going to make a change in the contract?

That depends on the type of change.

For example —

- you get at least same day notice for a change to an annual percentage rate. That notice may be a written notice to you or a notice published in a newspaper.
- you get 20 days advance notice for —
 - a change in the way in which interest is calculated; or
 - a change in credit fees and charges; or
 - any other changes by your credit provider;

except where the change reduces what you have to pay or the change happens automatically under the contract.

9. Is there anything I can do if I think that my contract is unjust?

Yes. You should first talk to your credit provider. Discuss the matter and see if you can come to some arrangement.

If that is not successful, you may contact the AFCA scheme. The AFCA scheme is a free service established to provide you with an independent mechanism to resolve specific complaints. The AFCA scheme can be contacted at:

Australian Financial Complaints Authority
GPO Box 3
Melbourne VIC 3001

Phone: 1800 931 678
Email: info@afca.org.au
Website: afca.org.au

Alternatively, you can go to court. You may wish to get legal advice, for example from your community legal centre or Legal Aid.

You can also contact ASIC, the regulator, for information on 1300 300 630 or through ASIC's website at asic.gov.au.

Insurance.

10. Do I have to take out insurance?

Your credit provider can insist you take out or pay the cost of types of insurance specifically allowed by law. These are compulsory third party personal injury insurance, mortgage indemnity insurance or insurance over property covered by any mortgage. Otherwise, you can decide if you want to take out insurance or not. If you take out insurance, the credit provider can not insist that you use any particular insurance company.

11. Will I get details of my insurance cover?

Yes, if you have taken out insurance over mortgaged property or consumer credit insurance and the premium is financed by your credit provider. In that case the insurer must give you a copy of the policy within 14 days after the insurer has accepted the insurance proposal.

Also, if you acquire an interest in any such insurance policy which is taken out by your credit provider then, within 14 days of that happening, your credit provider must ensure you have a written notice of the particulars of that insurance.

You can always ask the insurer for details of your insurance contract. If you ask in writing, your insurer must give you a statement containing all the provisions of the contract.

12. If the insurer does not accept my proposal, will I be told?

Yes, if the insurance was to be financed by the credit contract. The insurer will inform you if the proposal is rejected.

13. In that case, what happens to the premiums?

Your credit provider must give you a refund or credit unless the insurance is to be arranged with another insurer.

14. What happens if my credit contract ends before any insurance contract over mortgaged property?

You can end the insurance contract and get a proportionate rebate of any premium from the insurer.

General.

15. What do I do if I can not make a repayment?

Get in touch with your credit provider immediately. Discuss the matter and see if you can come to some arrangement. You can ask your credit provider to change your contract in a number of ways —

- to extend the term of your contract and reduce payments; or
- to extend the term of your contract and delay payments for a set time; or
- to delay payments for a set time.

16. What if my credit provider and I can not agree on a suitable arrangement?

If the credit provider refuses your request to change the repayments, you can ask the credit provider to review this decision if you think it is wrong.

If the credit provider still refuses your request you can complain to the AFCA scheme that your credit provider belongs to. Further details about this scheme are set out below in question 18.

17. Can my credit provider take action against me?

Yes, if you are in default under your contract. But the law says that you can not be unduly harassed or threatened for repayments. If you think you are being unduly harassed or threatened, contact the AFCA scheme or ASIC, or get legal advice.

18. Do I have any other rights and obligations?

Yes. The law will give you other rights and obligations. You should also READ YOUR CONTRACT carefully.

IF YOU HAVE ANY COMPLAINTS ABOUT YOUR CREDIT CONTRACT, OR WANT MORE INFORMATION, CONTACT YOUR CREDIT PROVIDER. YOU MUST ATTEMPT TO RESOLVE YOUR COMPLAINT WITH YOUR CREDIT PROVIDER BEFORE CONTACTING THE AFCA SCHEME. IF YOU HAVE A COMPLAINT WHICH REMAINS UNRESOLVED AFTER SPEAKING TO YOUR CREDIT PROVIDER YOU CAN CONTACT THE AFCA SCHEME OR GET LEGAL ADVICE. THE AFCA SCHEME IS A FREE SERVICE ESTABLISHED TO PROVIDE YOU WITH AN INDEPENDENT MECHANISM TO RESOLVE SPECIFIC COMPLAINTS. THE AFCA SCHEME CAN BE CONTACTED AT —

Addendum to the Credit Card Terms and Conditions.

We've made some changes to the **Credit Card Terms and Conditions**.

The following changes are effective from **17 January 2022**.

Section 14 – Resolving disputes

Section 14 has been removed and replaced with the following:

- a. If you believe an error or unauthorised transaction has been made on your account, or are dissatisfied with our products, services or staff, please contact us immediately. We'll acknowledge your complaint promptly. We may ask you to put it in writing to:
 - If the complaint is about unauthorised transactions:
Card Services
ME
Reply Paid 1345
Melbourne VIC 8060
 - If the complaint is about anything else:
Customer Relations Manager
 - by mail: ME, Reply Paid 1345, Melbourne VIC 8060; or
 - by secure email via internet banking.

- b. If your complaint is credit-related and involves a default notice, we'll provide our response no later than 21 days after receiving it.
- c. If your complaint is credit-related and involves a hardship notice or request to postpone enforcement proceedings, we'll provide our response no later than 21 days after receiving it unless:
- we don't have sufficient information about a hardship notice to make a decision. We'll then, within that 21 days, request you to provide the information we need. You'll then have an obligation to provide the information within 21 days of receiving our request. Once we have received the requested information, we'll have a further 21 days to provide our response. If we don't receive the requested information within 21 days of requesting it, we'll have 7 days to provide our response.
 - we reach an agreement with you about a hardship notice or request to postpone enforcement proceedings. We'll then confirm the terms or conditions in writing within 30 days.
- d. In relation to all other types of complaints, we'll provide you with a written response within 30 days of receiving your complaint, except where:
- your complaint is about unauthorised transactions to which card scheme rules apply – we'll then provide a response within the timeframes set out in the scheme rules unless the next paragraph applies;

- by the end of the fifth business day after receiving it we've resolved it to your satisfaction (unless you request a written response) or, if we can take no further action to reasonably address it, we've given you an explanation and/or apology; or
 - there's no reasonable opportunity for us to provide the response within 30 days because resolution of your complaint is particularly complex and/or circumstances beyond our control are causing complaint management delays – but we'll then notify you within 30 days about the reasons for the delay and of your right to complain to the Australian Financial Complaints Authority (AFCA).
- e. Our written response to a complaint will inform you of the outcome of your complaint and of your right to take it to AFCA.
